Henry Webb 1920 - 2010

It is with sadness that we have to report the passing away of Henry Arthur Webb on April 20th at 4:30p.m while sleeping peacefully. Henry and his wife Rene formed 'The Falconer Trust' in 1980 after he retired from full time employment with the Nationwide Building Society as Mortgage Manager. He had been actively supporting Miss Liliias Falconer in her work caring for orphaned children in Zambia since the early 1950s, and the formation of 'The Falconer Trust' was a continuation of this work.

As Henry's health failed, more and more of the work of the Trust has been under-taken by his sons, and for the last 6-7 years Ken and his wife Pat have administered the Trust on a full-time basis, Dad always being there to give helpful advice when required.

Henry was much loved by his family here and his adopted family in Kabulamema. Simon has responded to the news of his passing with a text message...."What a wonderful welcome he must have received from our Saviour and all the loved ones. Mama, Peg, Tata Lafupa, Jim Ford if only to mention a few! Am sad but so happy for him. Say Hi to mother for me. They've both been dears to me. Bless you all"

A service of celebration for the life of Henry will be held at South Park Chapel, Ripley Road, Seven Kings, Ilford. on Tuesday 4th May at 2:30 p.m. It was his wish that all tributes should go to The Falconer Trust to support the on-going work of the Children's Home at Kabulamema.

All the Trustees send their best wishes and ask for your continued prayers at this sad time.
God Bless You All
